

NURSERY STREET RIVERSIDE

a) Nursery Street Park - repair and renovation of river frontage and continued management of the river and its banks to provide a quality safe, secure and attractive environment.

b) Improved access to waterfront along eastern bank of Don along Nursery Street and rear of Blonk Street.

c) The principle of discouraging through traffic from using Nursery Street (instead to be diverted along Stanley Street).

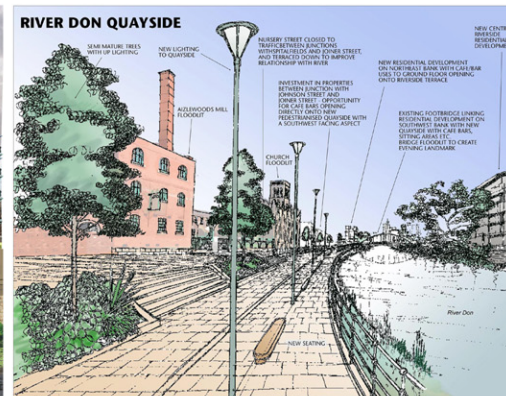

d) Improvements to pedestrian and cycling routes through the area and connecting with the city centre and Burngreave/Spital Hill area.
