Burngreave's biggest Community event...
Abbeyfield Park Multicultural Festival

This year's festival is different... it's run by volunteers and residents and will truly be a community event. You'll see lots of local acts, there will be plenty of activities for children and loads of stalls and food.

It's been a lot of hard work to make it happen this year, but hopefully you will agree it has been worth it. The best thing is that you can get involved and make it even better next year!

You can get involved in planning next year's festival either by giving us some feedback, or signing up for the mailing list to be part of next year's festival steering group. You can also express an interest in having a stall, performing on stage or volunteering on the day.

You can sign up at the Burngreave Community Action Forum stall today (see map inside) or give BCAF a call on 2728008.

Abbeyfield Park Multicultural Festival has been organised by volunteers and residents, with the help of the following organisations: Burngreave Community Action Forum, the Burngreave Messenger, the Rock Christian Centre, Burngreave Young Advisors, 1Ummah1 Youth Group, Ellesmere Youth Project, Activity Sheffield, Sheffield Futures, Sheffield Homes, the Local Safer Neighbourhood Team (South Yorkshire Police), Burngreave Community Radio, JDR Entertainment, We Create Events, Regather.

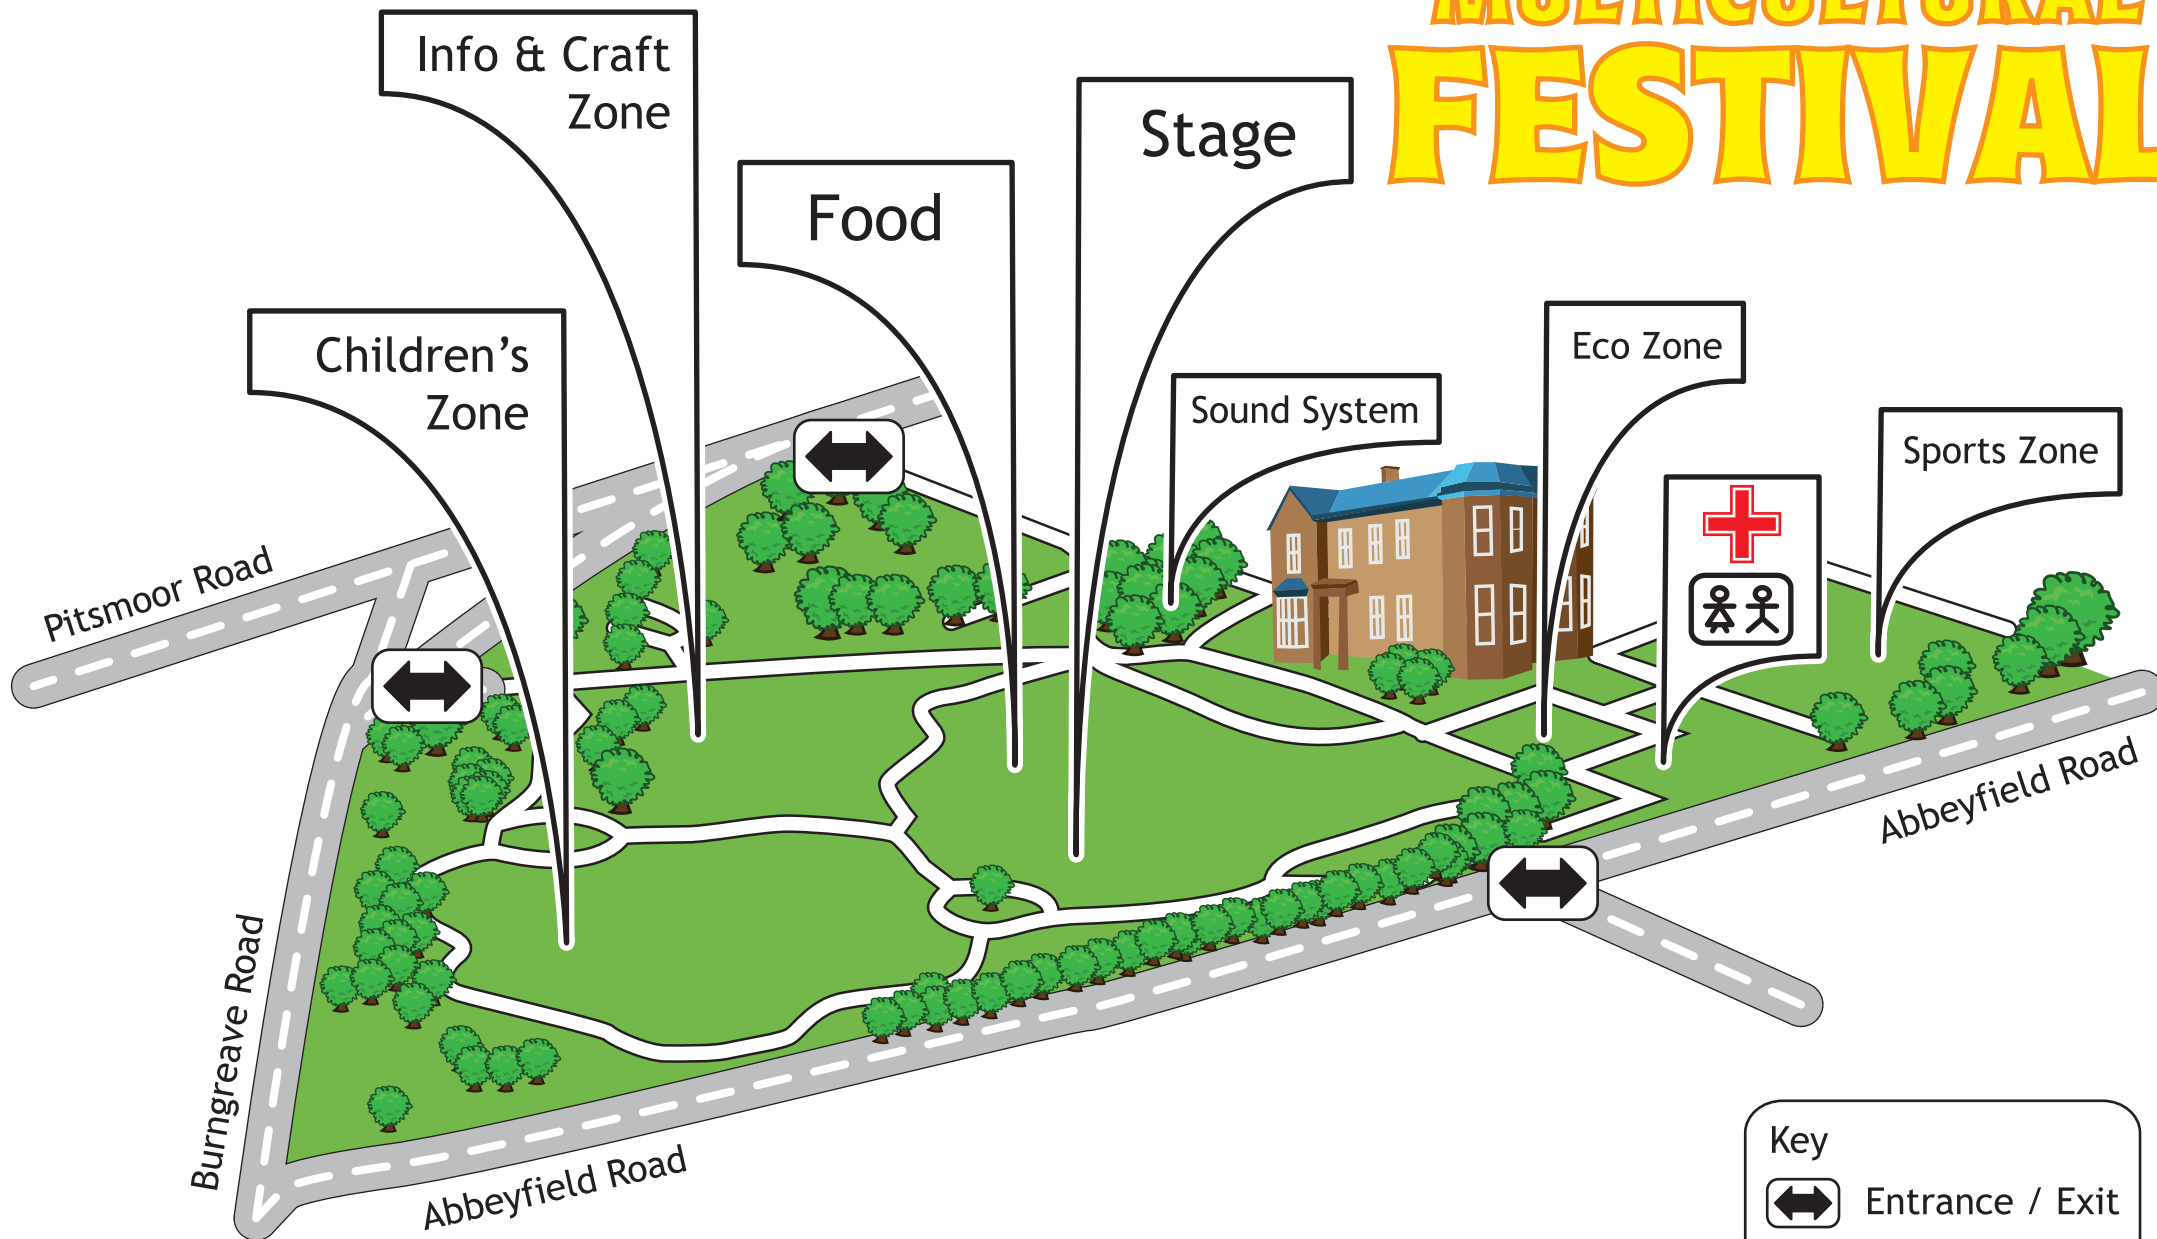

The festival was funded by North East Community Assembly, South Yorkshire Police, and contributions from stallholders.
