

BCAF Quarterly Forum Meeting

Saturday 14th May 11am-1pm
At Sorby House

What effect are the cuts having?

What is happening in Burngreave to local residents, organisations and services because of the cuts?

Burngreave Community Action Forum invites you to the next Quarterly Forum Meeting to share your experiences and discuss what we can do as a community to respond.

If your organisation, job or a service you receive is affected by cuts, we want to hear from you. Come along to the meeting.

Also on the day an update on recent campaigns to save local services:

- Young people save Study Support for another year
- Sports activities for Burngreave saved
- ESOL learner's campaign to keep classes free

As usual a lunch and crèche will be available.
