We are experienced workshop leaders, specialising in kids craft activities,  
CRB checked and qualified in first aid.

28th Nature day - Exploring the change of Seasons, we will make vegetable soup, a bug house, twig elves, fairies, bird feeders and autumnal mobiles .

29th Recycling crafts- Create junk robots,snake puppets,plant pot lighthouse, glass jar vase and much more!

30th Halloween- Exploring magic, witches, and wizards! make your own wands, hats, spells and potions, pumpkin carving, halloween necklaces and halloween bun baking.

We provide drinks and snacks, but ask children to bring a packed lunch with them. when dropping your child off please provide - outdoor coats and boots, and clothes you don't mind getting messy.

Kids Create is a non profit making organisation. At our workshops, children will be able to engage in, and enjoy creative activities. Your child will go on a journey of exploration in a safe, fun environment whatever their stage of development. The sessions are based on themed days which will be both indoor and outdoor. Children can attend the sessions if they are aged between 4 and 12. Children will work in teams as well as individually. The creative sessions enable children to develop independent thinking , learn creative skills ,and communicate confidently. Our aim is to allow children of different abilities to work at their own pace. We would like children to realise that being creative is a wonderful talent that needs to be nurtured.
