## Parkwood Springs

Saturday 13th September 11am - 2pm SHEFFIELD INTERFAITH INVITES YOU TO JOIN IN THE

JOINT ENVIRONMENTAL INITIATIVE

Following the growth spurt of 'plants we don't want' over the summer the hard work on the garden is really paying off, it's looking great. The raspberries were plumping up last month and these along with the mulberries should be ready for picking. Some of the trees and hedges have been growing very fast and at this month's workday we will continue to prune and nurture these, also there are the usual digging and maintenance tasks. There will be opportunity to continue discussing the future plan for the garden and also a chance for a guided walk for those who haven't visited before. Please feel free to bring a container to harvest the fruit or supplement to your lunch.

## Organised by
