**JOINT ENVIRONMENTAL INITIATIVE**

## **'The Multifaith Forest Garden'**

Parkwood Forest Garden is a beautiful calm space and a productive permaculture project. It is a young forest garden developed by Sheffield City Council in association with local volunteers.

This month we will be continuing with autumn weeding and with the usual maintenance tasks. This is a great time of year to get on top of some essential maintenance tasks, now that many of the weeds have died back. Thank you to everyone who has worked on, and visited the forest garden over the past months. We look forward to seeing old friends and meeting new ones as we continue to improve the garden.

If you would like to stop for a shared lunch at around 1pm, that would be great. Bring your own food and maybe something to share.

The workday will be hosted by Ed Thatcher who will be at the entrance of the car park from 10.45am. Contact details below.
